

**ANNOUNCEMENT OF POSITION OPENING (SEPTEMBER 2020)
ENGINEERING INSTRUCTOR**

POSITION: Ch. 74 Engineering Instructor

SALARY: In accordance with Collective Bargaining Agreement

DUTIES:

- Join a highly motivated team committed to student success
- Deliver innovative experimental/experiential lessons which align to the MA CVTE Frameworks
- Develop meaningful relationships with students and parents that drive students to love learning and make exceptional gains
- Provide targeted whole group, small group, and/or individual instruction in a variety of Engineering principles utilizing makerspaces, robotics, mathematics, electronics, etc.
- Foster healthy competition by supporting SkillsUSA activities which develop attitudes and skills in citizenship, leadership, networking and social interactions
- Employ a variety of instructional techniques to engage all learners
- Maintain timely recordkeeping via X2 and student competencies
- Provide after school assistance to students
- Other duties as assigned in conjunction with the Collective Bargaining Agreement

QUALIFICATIONS:

- Bachelor's degree required
- Three years of recent, full-time employment experience directly related to Engineering. A Master degree may substitute for one of the three years of required employment experience.
- Massachusetts Department of Elementary and Secondary Education (DESE) Chapter 74 license or licensable in Engineering
- Experience in Project Lead The Way (PLTW) Curriculum in Engineering preferred
- Possess teaching experience or demonstrable teaching ability
- Familiarity and understanding of the Massachusetts Vocational Frameworks in Engineering
- Ability to maintain student discipline, differentiate instruction and work with diverse populations
- Ability to facilitate meaningful hands-on learning experiences for students

REPORTS TO: Vocational Director
